RE: Video Producer

Dear Hiring Team,

I've worked on a wide range of projects—from TikTok teasers for Mattel to fast-turnaround videos for automotive brands and independent features. I know that success comes down to adaptability, staying focused under pressure, and strong team communication. A sense of humor helps too!

I thrive on variety, learn quickly, and am always exploring new ways to tell compelling stories. I'd love to be considered for a **Video Producer / Coordinator** role, or any other position that might be a fit.

I look forward to speaking with you!
